Covenant Kids Discipline and Behavior Policy

At Covenant Kids Preschool, we practice the following discipline and behavior management policy:

1. Praise, reward, and encourage the children to reach their highest potential.
2. Set reasonable limits for the children.
3. Model appropriate behavior.
4. Modify classroom environments to prevent problems before they occur.
5. Listen to children and treat them with respect.
6. Provide children with logical, consistent consequences for their behavior.
7. Explain things to children on their individual levels.
8. Provide alternatives for inappropriate behaviors. (Redirection)
9. Love and nurture the children.

One of the most important factors in good discipline and behavior is open communication with parents. We wish to work together with you as a team to help your child be successful in preschool.

Please note that Covenant Kids Preschool reserves the right to dismiss a child from the program if their behavior is a safety threat to staff, other children, or themselves or if a child's needs can not be met within the program.
